Disclaimer

Schlumberger Technology Corporation, having 100 percent interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 as shortened by any terminal disclaimer filed prior to the grant of US Patent No. 6,346,813. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent(s) granted on the co-pending application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 of any patent(s) granted on the co-pending applications identified above, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent(s): expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims cancelled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant, except for the separation of legal title stated above.

Fee Status/Payment

The Commissioner is authorized to charge Deposit Account No 19-0615 the requisite fee of \$110.00. Two copies of this document are enclosed.

In the event this fee is incorrect, the Commissioner is authorized to further charge/credit the above Deposit Account the requisite amount. This sheet is submitted in triplicate.

Respectfully submitted,

By: William B. Batzer
